

# Meranti

Quality Produced, Cost Efficient and Versatile.

Our Meranti is sourced from the highest quality mills in South East Asia. Meranti panels are a cost-efficient option that can be used in a variety of applications including laminating for furniture and wall components, set construction in the film industry and general protection and crating.

Canusa Meranti panels are available in full Meranti core, Falcata Core and Meranti or Falcata Lumber core.

<b>DIMENSIONS</b>	• 36" x 84", 48" x 84", 48" x 96", 48" x 100" 48" x 102", 48" x 108", 48" x 120"		
<small>*Custom dimensions available</small>			

## Features

### Benefits

Flat and smooth surface

Ideal for laminating

Minimal core voids and overlaps

Reduce the potential for core transfer

Low cost production

Use in a wide range of applications

Inspected by Canusa Quality Control Team

Consistent quality
